We Were There at the Normandy Invasion - Clayton Knight

We Were There at the Normandy Invasion
Clayton Knight

D-Day: 6 June 1944. The date of the invasion of the Normandy Coast of France by the Allies. This novel gives a different look at that invasion than most of us have ever seen. It tells of a young French boy, André Gagnon, and his exciting adventures as he helps the Maquis (the French Underground fighting the Germans), a shot down British airman, and the American soldiers in their successful attempt to liberate France from German occupation. An entertaining and informative family friendly tale. - Summary by Wayne Cooke

Read by Wayne Cooke. 20 Tracks. Total Duration: 03:27:00
